

SUPPORT LOCAL BUSINESS IN COVID-19

Posted on July 24, 2020

Please put your money where your heart is and support local business in your area. We took to the streets this week in our local area of Long Eaton, Nottingham Derbyshire. It was great to meet local businesses and see the community getting back on its feet. We shot a short video featuring just few of local business owners close by [Local Exposure Web Design & Digital Marketing Agency](#) offices in Long Eaton. If you would like a short video or Street View Virtual Tour shot in your local area, please drop us a line.
